

LG 5 Year Warranty Promotion:

Free 5 Year Warranty on Selected Laundry Products

Purchase a Qualifying Product (as listed in our terms) in the Territory within the Promotional Period and sign up within 28 days of purchase on www.lg.com/uk/support/registration-login to receive a 5 year parts and labour warranty on your Qualifying Product (rather than the standard 2 years). Internet access is required. Terms and conditions apply, see below for further details (especially on the Promotion Periods).

Terms and Conditions

All laundry products sold by LG Electronics U.K. Ltd ("LG") come with a standard free 2 year warranty and this covers parts and labour.

Subject to you registering your Qualifying Product in accordance with these terms and conditions, the Promotion extends the standard warranty cover by a further 3 years, so you receive a 5 year warranty in total running from the **date of purchase**. Please note, this offer does not apply to products purchased for commercial use.

Notwithstanding the duration, this 5 year warranty is also subject to the warranty conditions listed in the standard warranty literature that came with your Qualifying Product.

This 5 year warranty is distinct from (and in addition to) a 10 year (or 20 year for select models), parts only (not labour) warranty that LG gives on the Direct Drive Motor, which runs from the date of purchase.

To activate the promotional warranty please register your appliance at www.lg.com/uk/support/registration-login within 28 days of purchase.

These promotional warranty conditions are additional to, and complement the standard warranty conditions as supplied with the product.

Additional Conditions:

These promotional warranty conditions are valid for any person who has purchased and legally acquired possession of the Qualifying Product during the Promotional Period in the Territory.

The promotional warranty only applies to the purchase of new (not second-hand) Qualifying Products. It is non-transferable and in the event of a change of ownership will not be valid unless LG has provided its written approval.

This warranty is only valid when accompanied by the original invoice, sales receipt or formal confirmation from LG of the warranty period.

Subject further to the conditions of the warranty supplied with the product, if the serial number is defaced, missing or illegible, the warranty with LG is null and void. In this case, you should contact the dealer from whom the product was purchased.

For any promotional warranty the Qualifying Product must be registered within 28 days of purchase, and this will extend the cover from the purchase date.
