

UHD HD Signage Display with LG webOS Platform

Excellent Display Brightness

Ultra HD Resolution

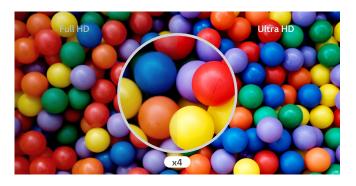

Mobile Content Management

webOS Smart Platform

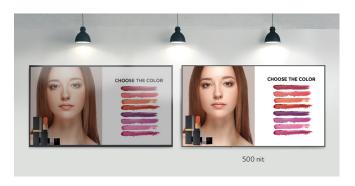

UM5K

Inch	110" / 98"
Screen Resolution	3,840 x 2,160 (UHD)
Bezel Color	Black
Brightness	500 nits (Typ.)
Bezel Width	17 mm (Even Bezel)
Speakers	10 W × 2

Super High Resolution

Delivering immersive viewing experience with 4 times higher definition picture quality than Full HD.

Adequate Brightness Level

The UM5K series boasts an adequate brightness level of 500 nits for indoor displays, effectively showcasing content and capturing the public's attention. This is effective in various settings, including meeting rooms, airports, retail outlets, and shopping malls.

High-Performance with webOS

LG webOS Signage platform enhances user convenience with an intuitive user interface and simple app development tools.

Built-in Speaker

Content is enriched with sound from the UM5K's two 10W built-in speakers, eliminating the need for purchasing or installing external speakers.

Slim Design

The slim design of the UM5K allows a closer installation to the wall. This sleek and sophisticated design is excellent for the décor of the installed space.

Mobile Content Management

You can create a store profile and get template recommendations using the LG Promota app. Users can customize templates as needed and easily create and manage content not only on PCs but also on mobile devices.

Compatible with AV Control System

The UM5K series supports Crestron Connected® for compatibility with professional AV controls to achieve seamless integration and automated network-based control.

SuperSign Solutions

SuperSign is an integrated and intuitive content management solution for creative and organized digital signage content in your space, connecting customers to a range of services with convenient user experiences. There are a variety of versions such as SuperSign Cloud, so discover and enjoy the version that best fits you.

CONNECTIVITY

110" / 98"

^{*} Jack Panels may differ from the above image, so please contact LG sales team to verify before ordering.
