Commercial Lite Guestroom UHD TV

UT340H Series

Commercial Lite	Pro:Centric	Pro:Centric Enhanced	Pro:Centric Smart

The UT340H Commercial Ultra High Definition (UHD) TV Series provides hotels with a cost-effective, reliable 4K UHD TV that has been designed to operate with an LG Commercial set top box to provide Pro:Centric Smart features. The UT340H Series delivers beautiful images anchored by a stylish, versatile commercial grade stand. In addition, this series can be combined with an LG set top box to enable a Pro:Centric Direct experience equivalent to top-tier hospitality TVs.

LG Business Solutions

Commercial Lite Guestroom UHD TV

UT340H SERIES

HOSPITALITY FEATURES

4K Upscaler

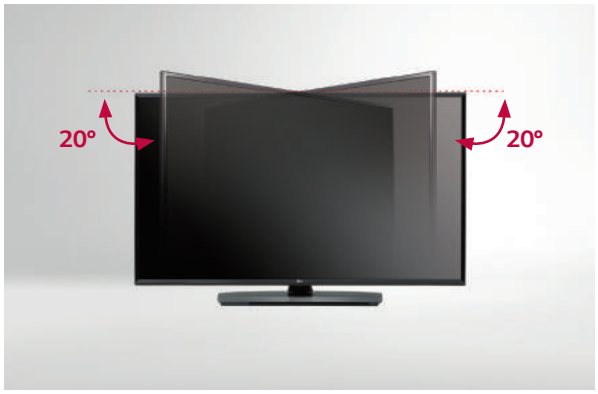
Enjoy Full HD content with 4K UHD quality. The 4K upscaler automatically upgrades Full HD content to UHD through a six-step process.

Ultra HD (4K) Resolution

UHD delivers a resolution four times higher than that of Full HD, creating a more realistic and immersive television viewing experience. The stunning 8.3 million pixels create flawless images with incredibly vivid detail.

Commercial Swivel Stand

The UT340H Series commercial grade stand swivels to allow guests to view the TV from virtually any angle and can easily be fastened to a tabletop for security purposes.*



* 55" and 49" models only.

Welcome Screen

Display a warm greeting message with your hotel name and logo on the TV when it is turned on. The welcome screen provides an inviting, personalized experience for your guests.

Commercial Lite Guestroom UHD TV

UT340H SERIES

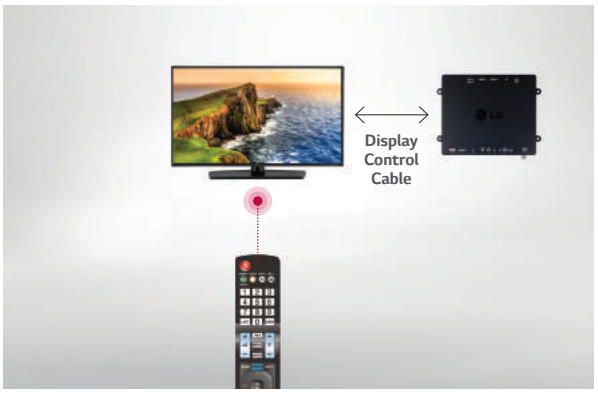
HOSPITALITY FEATURES

External Speaker Out

Enhance the entertainment experience with an additional speaker (sold separately). Guests can listen to the TV audio from other rooms within their suite, not only the room where the TV is located.

IR Pass Through and Control

Control this model TV with an LG Commercial set top box to create a system* that can provide Pro:Centric Smart features, as well as support decryption of Pro:Idiom encrypted RF or IP delivered content.



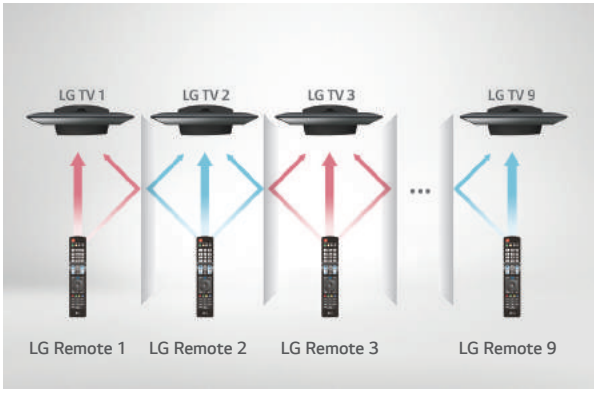
* A system is comprised of 1 LG Commercial Lite display and 1 LG Commercial set top box.

Public Display Mode

From channel selection to volume level, you can control the TV settings in your hotel's common areas. Public Display Mode also enables restoration of your hotel's default settings on the TVs when required.

Multi-code IR

Multi-code IR* function eliminates any remote control signal interference between TVs in rooms with multiple TVs installed.



* Requires optional multi-code IR remote.

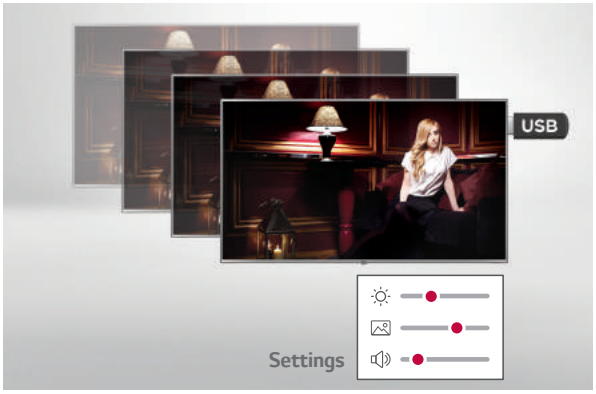
Commercial Lite Guestroom UHD TV

UT340H SERIES

HOSPITALITY FEATURES

USB Data Cloning

For fast and easy configuration of multiple TVs, create a Master TV Setup on one TV and then export the setup "clone" file to a USB memory device. Use the USB device to easily import the setup to other TVs of the same model.



Lock Mode

Lock Mode blocks external input signals with non-compliant content. This useful feature prevents the misuse of TVs in public spaces.

Self Diagnostics via USB

The UT340H TV Series stores 24-hour diagnostic data, which can be saved to a USB memory device, enabling service engineers to identify technical issues quickly and easily.
