

AX310

BLUETOOTH CAMERA PHONE

Looking for the perfect practical phone that delivers cool communication features for everyone? The LG AX310 hits the mark and lets you choose how you want to connect. Use voice-activated dialing to call, then talk hands-free with the one-touch speakerphone or go completely wireless using *Bluetooth®* technology. Dial quickly on the large, easy-to-use keypad and enlarge the font for an easier read. Take pictures of family and friends with the 1.3 megapixel camera and assign picture IDs to know when they call. All this wrapped into a fresh, compact design available in either black or red.

A real solid functional phone, the new AX310 makes perfect mobile sense.
