MEdia™ Net

With MEdia™ Net, you can get the information that is important to you at a glance. Your local weather, your teams' scores, your movie theaters are all just a few clicks away.

1. From standby mode, press **right** on the **Navigation Key**.
2. Scroll and highlight the content you want to view and press the **Left Soft Key** to select.

Personalize your MEdia Net Home Page

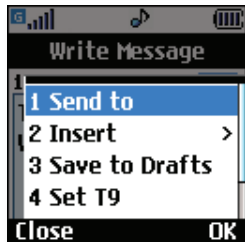

1. To add a link to your home page, scroll down the MEdia Net home page and select **EDIT** (next to My Links) and press the **Left Soft Key** to select.
2. Select the content you would like added or deleted from the MEdia Net home page and press the **Left Soft Key** to select.

Text Messaging

When you need to communicate privately and quickly, use text messaging. You can text message to other wireless phones and email addresses.

1. From standby mode, press **up** on the **Navigation Key**.
2. Type your message.
3. When completed, press the **Right Soft Key** for **Options**, select **Send to (1)** and press the **Right Soft Key** for **OK**.
4. Enter the recipient's telephone number or choose an existing contact by pressing the **Right Soft Key** for **Options** and selecting **Contact**.
5. Press the **Right Soft Key** for **Options**, and select **Send (1)**.

Downloadable Fun

Personalize your phone with downloadable games, graphics, and ringtones. AT&T gives you access to the latest games and graphics right on your phone and access to the best new ringtones from today's hottest artists. Personalize your phone today.

1. From standby mode, press the **Left Soft Key** for **Menu**.
