

For those that were born to shine, LG has created the perfect blend of minimalist design and maximum functionality. Shine™, when idle, has a unique, reflective mirror finish, but once active, the screen comes alive and is viewable from all angles. Within the elegant stainless steel body, Shine packs in a music player, a 2.0 megapixel camera, video share and Bluetooth® capabilities, plus a full array of messaging options, and much, much more. Everything you need in a visually captivating phone — Shine by LG will make you shine.
