Terms and Conditions:
Instant Messaging (IM) requires a compatible wireless phone. Service may be subject to certain equipment and service limitations, including memory, storage, network, coverage, accessibility or data conversion limitations. Use of IM will be charged as specified in your plan. Instant messages are charged when sent or received, whether read or unread or solicited or unsolicited. Cingular does not guarantee delivery of messages. IMs not delivered within 7 days will be deleted. Cingular is not responsible for loss or disclosure of any sensitive information you transmit. Cingular Rates and Services are subject to change. Use of IM is subject to the Terms and Conditions of your Wireless Service Agreement. IMs are limited to 160 characters per message.

Requires e-mail account with compatible internet service provider and a downloaded or preloaded e-mail application for the wireless device. Access and use of Mobile Email is billed by total volume of data sent and received (in kilobytes) in accordance with your MEdia Net service. E-mail attachments can not be sent, downloaded, read, or forwarded on the mobile device. Only a paper clip icon appears indicating an attachment. You must view attachments from your PC. Upgrades to the application may be required in order to continue to use the service. Wireless data usage charges will apply for downloading the application and any upgrades.
