

# LG Rhythm™

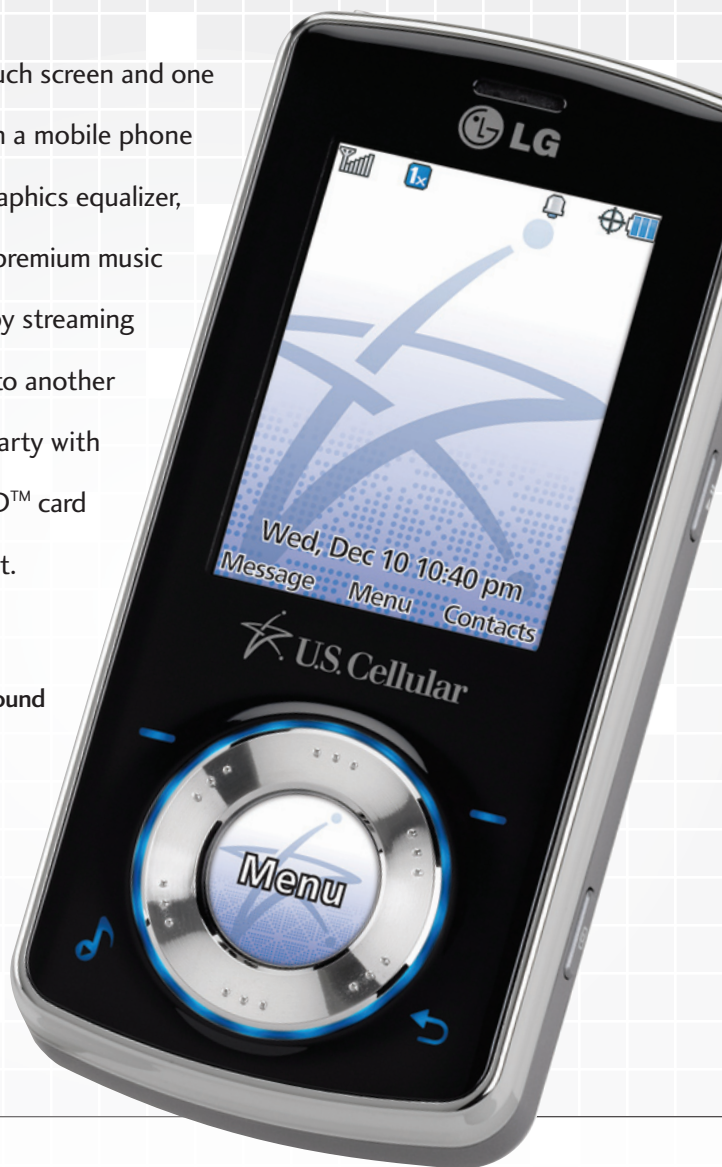

BLUETOOTH® MUSIC PHONE

The LG Rhythm really rocks with a 1" circular touch screen and one of the most advanced music systems available in a mobile phone today. With 3D sound, a professionally tuned graphics equalizer, a music hot key, and Bluetooth stereo support, premium music sound is at your fingertips. Let friends listen in by streaming your favorite songs through the FM transmitter to another receiver or car stereo. Be sure to capture the party with pictures or videos and save them to your microSD™ card (sold separately) as you dance through the night.

## KEY FEATURES
