Getting to Know Your Phone

Quick Touch Keys:

Backspace (This Quick Touch Key normally appears in the upper left corner of the screen)

For more information, visit att.com/DeviceSupport.

Customizable Home Screens

Personalize your home screens to ensure that you keep your favorite contacts, tools, and features on hand for quick access.

Visual Contacts

1. To access the Visual Contacts screen, touch .
2. Press and *hold* , and then touch .
3. Touch the contact(s) you want to add twice, and then touch **Add**. You can customize up to 3 pages on the Contacts screen.

Home

1. To access the Home screen, touch .
2. Touch  at the bottom of the screen to view available widgets.
3. Press and *drag* a widget from the bottom bar onto the home screen.

Shortcuts

1. To access the Shortcuts home screen, touch .
2. Touch an icon to access that feature.
3. To customize the shortcuts, press and *hold* any icon. You can then add, delete, and rearrange the shortcuts.

Text Messaging

When you need to communicate privately and quickly, use text messaging. You can send text messages to other wireless phones and email addresses.

1. With the phone rotated horizontally and the slide open, press the  **Key** on the QWERTY keyboard.
2. Use the keyboard to enter your message.
3. Touch **Send To**.
4. Select your recipient by touching his/her name twice.
5. Touch **Send**.

Note: Touch  at anytime to go back one screen.

Multimedia Messaging

Snap it. Say it. Share it. Multimedia messaging lets you share photos, voice messages, and more.

1. With the phone rotated horizontally and the slide open, press the  **Key** on the QWERTY keyboard.
2. Touch **Insert**.
3. Choose to add an existing picture, audio, or video file, or you can create a new one to include with your message. You can also add vCards, vCalendars, and much more.
4. Touch **OK**.
5. Add text to your message using the keyboard, and then touch **Send To**.
6. Touch a contact twice to quickly select him/her as a recipient.
7. Touch **Send**.

Note: Touch  at anytime to go back one screen.

Instant Messaging

Chat in real time using your favorite instant messenger provider such as AIM®, Yahoo! Messenger, or Windows Live. Log in on the go and stay connected with your wireless phone.

1. With the phone rotated horizontally and the slide open, press the  **Key** on the QWERTY keyboard.
2. Touch an IM community.
3. Touch **Sign In**.
4. Touch the screen name field and then use the keyboard to enter your screen name/email/ID.
5. Touch the password field and use the keyboard to enter your password.
6. Touch **Sign In**.
7. Touch a contact currently online.
8. Type your message, and then press the  **Key**.
9. To end the conversation, touch  and select **End Conversation**. Confirm the end of your conversation by touching **Yes**.

Mobile Email

Take your email with you with mobile email. You can access up to eleven providers, including AT&T, AOL®, Yahoo!®, and Windows Live™ email accounts.

1. With the phone rotated horizontally and the slide open, press the  **Key** on the QWERTY keyboard.
2. Touch your provider and press **Select**. You may be asked to review your provider's terms of use.
3. Touch the screen name field and then use the keyboard to enter your screen name/email/ID. Touch **Done**.
4. Touch the password field and use the keyboard to enter your password. Touch **Done**.
5. Touch **Sign In**.
6. Touch a message to highlight it, and then touch **Read**.
7. Touch **Delete** to delete the message, or touch **Options** to reply to or forward the email.

All providers may not be available on all devices. Yahoo! and the Yahoo! logo are trademarks and/or registered trademarks of Yahoo! Inc. AOL, America Online, and the Triangle Logo are registered trademarks of America Online. Windows Live and the Windows logo are either registered trademarks or trademarks of Microsoft Corporation in the United States and/or other countries.

AT&T Mobile Music

AT&T Mobile Music provides the ultimate music experience. Listen to your favorite music, watch the latest music videos, and stay in the know with music news and more.

1. From standby mode and with the slide closed, touch **Menu** , and select the **Multimedia**  subcategory. Touch **AT&T Music**.
 -  Listen to your music with the integrated **Music Player**. Access your music by artist, album, genre, or playlist.
 -  Personalize your phone with music ringtones and Answer Tones™ at **Shop Music**.
 -  Instantly find out the artist's name and the title of a song with **MusicID**.
 -  Get unlimited access to commercial-free music and the latest hip-hop, R&B, rock, jazz, and country anywhere you go from **XM Radio**.
 -  Access music videos from the latest artists with **Music Videos**.
 -  Create your own ringtone using music from your favorite artist using **Make UR Tones**.
 -  Visit one or more hot user communities by going to **Community**. Interact with friends and the community as well as review artist fan sites.
 -  Purchase additional fun music applications by going to **Music Apps**.

Download Music

Personalize your phone with downloadable music. AT&T gives you access to the latest songs and hottest artists right on your phone. Begin customizing your phone today!

1. From standby mode and with the slide closed, touch **Menu**  and select the **Multimedia**  subcategory.
2. Touch **AT&T Music** and select **Shop Music**.
3. Touch **MEdia Net Music**.
4. Browse the music catalog to find the item you want to purchase, and then follow the on-screen prompts to download the song to your phone.

Play Music

Listen to music from your favorite artists right on your phone. To listen to music that you have transferred to your phone, follow these quick and easy steps.

1. Insert a microSD card* (gold contacts facing down) containing music into the port located on the right side of the phone. Touch **OK**.
2. From standby mode and with the slide closed, touch **Menu**  and select the **Multimedia**  subcategory.
3. Touch **AT&T Music** and select **Music Player**.
4. Touch **All Songs**.
5. Touch the name of the song you want to play.
6. Press **up** or **down** on the **Volume Keys**  to adjust the volume. Touch  or  to go to another song.
7. Press the  **Key** and touch **Menu** to access other phone functions without exiting the music player. To return to the music player, press the  **Key** and touch **Music Player**.

*microSD card sold separately; go to att.com/wireless.

AT&T Navigator

AT&T Navigator, with GPS-enabled directions, is the fastest way to get where you are going – whether across town or across the country.

1. From standby mode and with the slide open, touch **Menu** , select **AT&T GPS**, and then touch **AT&T Navigator**.
2. Touch **Agree**.
3. Touch **Drive To**.
4. Touch **Address** and select **Type It**.
5. Touch the address field and use the virtual keypad or the QWERTY keyboard to enter your destination information.
6. Touch **Done**.

For more information, visit att.com/Navigator.

Video Share™

Share events the moment they happen. Video Share lets you stream live video directly to friends and family.

Making a Video Share Call

1. From standby mode and with the slide closed, dial the 10-digit number of another 3G Video Share capable device.*
2. Once the call is answered, touch **Video Share Ready** when the text on the icon turns white.
3. Touch **Live** to share live video or **Recorded** for previously recorded video.

Accepting a Video Share Call

1. When receiving a Video Share call, the name or number of the person who wants to share video with you will appear on the screen.
2. Touch **Accept**, and the Video Share session will begin automatically.

To end a Video Share session and continue with the phone call, touch **Stop**.

*Video Share is not available in all markets. Both parties must be in a 3G service area – a 3G icon must appear by the signal bars prior to a call being placed, and both parties must remain in the 3G coverage area for the duration of the Video Share session.

Camera

Capture those special moments right from your phone and send them to friends and family. It's easy.

1. From standby mode and with the slide closed, press the  **Key**.
2. Touch  to access customizable options. To then return to the viewfinder, touch .
3. Press the  **Key** to take the picture.
4. Your photo will automatically be saved. You can touch  to send the picture to someone or touch  to delete the photo.

MEdia™ Net

With MEdia Net, you can get the information that is important to you at a glance. Your local weather, your teams' scores, and your movie theaters are all just a few steps away.

1. From standby mode and with the slide closed, touch **Menu**  and select the **Multimedia**  subcategory.
2. Touch **MEdia Net**, and then select the content you want to view.

Personalize Your MEdia Net Home Page

1. From the MEdia Net home page, touch **EDIT** (next to My Links).
2. Select the content you would like added, moved, or deleted from the MEdia Net home page.

Or, Personalize Your Home Page from Your PC

1. Go to att.com/mymedianet from your PC.
2. Enter your mobile phone number and follow the on-screen steps to log in. You can then start choosing content to add to your home page.
3. Click **Update Now** to save your changes.

Multitasking
Key

Multitasking

Multitask simultaneously with voice and data – browse the web, play games, send and receive messages, and listen to music. All at once.

1. If you're involved in one task and want to launch another, press the  **Key** and touch **Menu**. You can then select another task.
2. To switch among multiple tasks, press the  **Key**. You can then touch an open task.

Note: If you get a call while in another task (except playing music), you can accept the call, then return to the task while you're talking.
