Bluetooth® Pairing

Say goodbye to cord hassles with Bluetooth connectivity to a headset, car kit, or laptop. Great for hands-free talking or exchanging contacts and calendar events.

1. Set your Bluetooth accessory to pairing mode.*
2. Press  and select **Bluetooth (1)**.
3. Select **Add New**. Press  if prompted to turn on Bluetooth, then press  to search. The phone will now search for Bluetooth enabled devices (in pairing mode) within range.
4. Once the Bluetooth device has been found, highlight it and press .
5. Select **Add to Trusted (1)**.
6. Enter the pin code (typically “0000”– 4 zeroes) and press  to pair.*

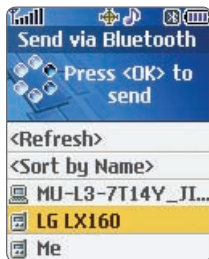

* Refer to the user manual of your Bluetooth accessory to activate pairing mode and for the pin code.

Sending All Contacts

Send a name card to another Bluetooth capable device to quickly share or sync up your contacts. Sharing info has never been easier!

1. Press  and select **Contacts (6)**.
2. Select **Send All Contacts (7)**.
3. If Bluetooth is off, select **Yes (1)**.
4. Select a device (with object push profile) and press .

Sending a Calendar Event

Share details about events on your schedule the easy way through Bluetooth. Transfer them to your own calendar or send them off to friends and associates.

1. Press **left** on the Navigation Key for **Scheduler**.
2. Highlight a date with a saved event and press the **Right Soft Key** for **Options**.
3. Scroll down to **Send Calendar via Bluetooth (6)** and press .
4. Select a device (with object push profile), and press  to send.

SMS Voice Messaging

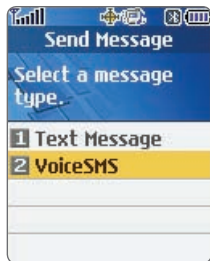

Send a voice message to a mobile phone or e-mail address without making a call. Just record a note and send it instantly to one or more people. No chit chat. No interruption.

To send an SMS voice message:

1. Press **up** on the Navigation Key for **Messaging**.
2. Select **Send Message (1)**, then **VoiceSMS (2)**.
3. Select **From Contacts** and press  to choose each contact. Press the **Left Soft Key** when finished, then again for **Next**.
4. Record a voice message (up to two minutes). Press the **Left Soft Key** when done, then again to send.

To retrieve SMS voice messages:

1. Press **up** on the Navigation Key for **Messaging**.
2. Select **VoiceSMS (4)** and press .
3. Select a message and press  to listen.

Voice-Activated Dialing

Call any name in your contacts with a touch of a button and a pre-recorded voice tag. It saves time and keeps your eyes on the road.

1. Press the **Right Soft Key** for **Contacts**.
2. Select a contact and press .
3. Select **<Edit Entry>** and press .
4. Highlight the phone number and press the **Right Soft Key** for **Options**.
5. Select **Set Voice Dial (3)**, then press  to record the contact name. Say the name twice when prompted.

Note: To activate voice-activated dialing, press the **Voice Services Key** on the left side of the phone. (Pressing and *holding* the **Voice Services Key** will activate the voice memo recorder.)
