Getting Music

The latest tunes and hottest tracks are right at your fingertips with enV². Enjoy instant access to V CAST Music and start downloading songs today.

V CAST Music

1. With the flip open, press **OK** > **Media Center** (5) > **Music & Tones** (1) > **V CAST Music** (1).
2. Select a song from one of the categories and press **OK** to buy it.
3. Press **OK** to confirm your purchase.
4. Press **OK** to download the song.
5. You can save the song to the phone's memory or to an optional memory card.*

**Sold separately.*

Note: Refer to the User Guide or Quick Reference Guide for instructions on how to sync music from your PC to the phone.

Playing Music

Get in the groove with enV². The built-in music player lets you listen to your favorite songs anytime!

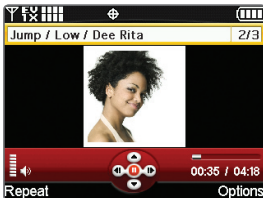

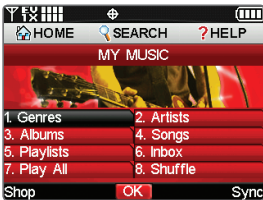

Flip Open

1. Press **OK** > **Media Center (5)** > **Music & Tones (1)** > **My Music (4)**.
2. Select a song from one of the categories to play.
3. Use the **Volume Keys** **< -** **+ >** to adjust the volume when a song is playing.
4. Press the **Power/End Key** to exit the music player.

Flip Closed

1. Press the **Music Key**.
2. Select **Play All** to begin listening to your songs.
3. Use the **Directional Keys** to fast forward and rewind.

Note: To turn on Music Only Mode (radio frequency off except Bluetooth) with the flip open, press **OK** > **Media Center (5)** > **Music & Tones (1)**. Press the **Left Soft Key** for **Mode**, select **On**, and press **OK**.

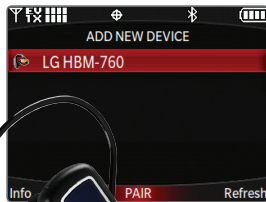

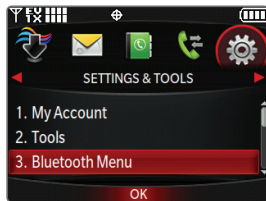

Bluetooth® Pairing

Easily connect your enV² with headsets, phones, computers, speakers, and more. With Bluetooth technology, wireless communication is at its best!

1. Set your Bluetooth accessory into pairing mode.*
2. With the flip open, press **OK** > **Settings & Tools (9)** > **Bluetooth Menu (3)**.
3. Select **Add New Device (1)**.
4. If Bluetooth is set to off, you will be prompted to turn it on. Select **Yes** and press **OK**.
5. Press **OK** and the phone will search for the accessory. Once found, highlight the accessory and press **OK**.
6. Press **OK** to connect with the device.

**Refer to the user manual of your Bluetooth accessory to activate pairing mode and for the passkey if asked (typically “0000” – 4 zeros). If the accessory supports the headset/hands-free profile, your phone will automatically pair for you without having to input the passkey.*

Note: Bluetooth accessories sold separately.

Taking a Picture/Recording a Video

Take pictures and record videos quickly and easily with enV². Whether you capture the action with the flip open or closed, you're sure to get fabulous memories with this great phone!
