LG NAMED 2025 PRO AV VENDOR OF THE YEAR

*D&H Distributing Honors LG for Cutting-Edge Solutions, Training & Enablement,
Channel Support in the ProAV Category*

LINCOLNSHIRE, Ill., Nov. 5, 2025 – For the second consecutive year, [LG Electronics USA](#) has been named Pro AV Vendor of the Year by [D&H Distributing](#), a leading provider of technology solutions to the North American channel.

Each year, in the lead-up to its annual THREAD Technology Conference, D&H “pays tribute to the distinct contributions of our esteemed vendor partners,” said Dan Schwab, D&H Co-President. “We’re thrilled to showcase the spirit of innovation and ongoing investments that our vendor partners bring to the channel and look forward to continuing to grow our relationships.”

“Simply put, our vendor partners allow us to do what we do best: propel our partners’ success with groundbreaking solutions that fuel sustainable growth,” said Michael Schwab, D&H Co-President. “These awards honor our community of vendor partners and spotlight their unwavering commitment to delivering transformative solutions that drive successful outcomes throughout the IT ecosystem.”

Stephen K. Hu, head of channel sales at LG Electronics USA, called winning this award for the second year in a row “a testament to the commitment to excellence that LG’s entire sales and support team demonstrates every day, in every way, throughout the year.” He added, “We’re proud to be a part of the growing and expanding D&H success story and we look forward to achieving even more together in 2026 and beyond.”

D&H presented the Vendor of the Year awards ahead of its annual THREAD Technology Conference, which took place Oct. 23 at the Hershey Lodge in Hershey, Pa., The award recognizes the outstanding contributions of D&H’s vendor partners and their dedication to driving continued success and greater opportunity across the IT channel.

Categories awarded at this year’s event were ProAV, Fastest Growing Vendor of the Year, Marketing Excellence Vendor of the Year and SMB Vendor of the Year, in addition to Vendor Representative of the Year. Additional award categories included Cloud, Collaboration, Edge to Data Center, ProAV and Security, among others. D&H also awarded vendor partners for their contributions to Go Big AI and D&H’s Partnerfi community.
