Convenience comes standard when you bring home this ultra-capacity SteamDryer™. Enjoy all the possibilities of steam, including innovative features like TrueSteam™ that will have you ironing much less, and the SteamSanitary™ cycle that lets you safely sanitize those delicate non-washable items, such as children's toys or throw pillows. And, when you add to the mix the fact that it's so quiet, you may not even notice it's on, you've definitely got a winner!

#### True Steam™ TrueSteam™ Technology

A lot of those drying headaches can be a thing of the past. TrueSteam™ Technology generates real steam to reduce wrinkles and odors, and practically eliminates the need for ironing.
