## ENJOY A COOL VIEW

The LG 6,000 BTU Low Profile Window Air Conditioner is an ideal choice when you need an AC unit that takes up less space in your window. So you keep the view and enjoy quiet, cool air. Featuring a programmable 12 hour timer, you can have the unit power off when you leave and turn on before you return, automatically. And the 4-way air flow means all-around efficient cooling for your home.

#### Low Profile Design

The slim and attractive low-profile design frees up more of your window for what it was designed for – checking out the view.

#### Easy-to-Use Installation Kit

Get cool with the greatest of ease. This window unit comes with our easy-to-use installation kit so you can set up your air conditioner with ease.

#### Electronic Touch Controls with Remote

Control the temperature of your room with just a push of a button. Our stylish remote control is easy to use and allows you to cool down from across the room.
