

DLE2601R/W DLG2602R/W

Electric/Gas Dryers

PERFORMANCE

- XL Load Capacity with NeveRust™ Stainless Steel Drum (7.4 cu.ft.)
- Sensor Dry System for Intelligent Fabric Care and Energy Efficiency
- 9 Drying Programs
- 5 Temperature Levels
- Precise Temperature Control with Variable Heat Source
- Drying Rack
- Wrinkle Care Option
- Delicate Cycle
- Custom Program

STYLE AND DESIGN

- Upfront Electronic Control Panel with LED Display and Dial-A-Cycle™
- Large Chrome Rimmed Door with Glass
- Stackable with Matching Washer
- Optional Matching Drawer Pedestal

TECHNOLOGY BENEFITS

- LoDecibel™ Quiet Operation

As a leader in high efficiency front load laundry, LG is changing the industry with leading edge style and design which includes the new square door design, intelligent controls, and beautiful designer colors.

Available colors:

- Wild Cherry Red White

NSF International certifies that the ANTI BACTERIAL option reduces 99.9% of bacteria on laundry.

LAUNDRY

DLE2601R/W DLG2602R/W

Electric/Gas Dryers

Intelligent Electronic Controls with LED Display and Dial-A-Cycle™

Intuitive controls allow you to 'set it and go'. You can also save your favorite dry cycle by pressing Custom Program. You'll have optimized drying performance with the push of a button.

FlowSense™ Duct Clogging Indicator

Detects lint build-up and decreased airflow in the duct system and signals that the duct should be cleaned.

Sensor Dry System

Measures moisture in the drum during the cycle, then automatically adjusts the drying time and temperature for enhanced fabric care.

Stackable or Side by Side?

Your choice. Less space? Try stacking the washer and dryer. More space? Place them side by side or under a counter. Don't want to bend down so far to load or unload clothing? Add our 13.7" high drawer pedestals. They're also a great place to store laundry detergent supplies.

Design and specifications are subject to change without notice.
