OVERVIEW

The LG Chromebase is the perfect device for the family. Let the kids learn to compute on a friendly app based monitor or do their homework on their own personal account, so you never have to worry about your own files being deleted. Enjoy the best of Google from Gmail to YouTube, to Hangouts and Docs. You've got everything you need in one convenient device with this all-in-one design that comes with a keyboard, speaker, mouse, monitor and HD webcam.

HIGHLIGHTS

THE BEST OF GOOGLE

Your favorite Google products are built-in. Apps like Gmail, YouTube, Hangouts, Docs, plus more in the Chrome Web Store. To help store your files, you'll get 100GB free on Google Drive for 2 years and 2-months of Google Play Music.

BUILT-IN WEB CAMERA

When chatting on Google Hangouts with families and friends, the LG Chromebase lets you see up to 10 users, on a large side screen. Plus the built-in 1.3MP webcam and Full HD screen will make you feel like you are in the same room.

GOOGLE DRIVE

Never worry about forgetting a document at home again! Your files are automatically saved to Google Drive making it easy to share data on compatible gadgets connected to the Internet.
