

Supercharge your social scene.

You're not afraid to explore, try new things, and take bold steps to develop your potential. It's people like you who make the world a great place to live, and you deserve a phone that makes your world a little better, too. Mach propels your performance with the speed and power of a dual-core processor, 1GB of RAM and 4G LTE; whether you're surfing the web, streaming movies or music, or connecting with your social network, it all happens fast. It also has all the features you need to advance your personal and professional life. You're moving ahead and making a difference—and the Mach is as forward thinking as you are.

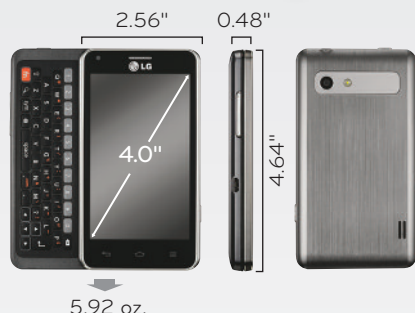

All Gain, No Eye Strain Whether you're watching a movie, browsing the web, flipping through the pages of your favorite magazine, or posting pics from your last night out, it's a lot more fun on the Mach's spacious 4" IPS display. Pictures pop in bright, vivid color, and video dazzles with sharp detail..

Paperless Expressions Draw fun doodles on your favorite pics. Send handwritten invitations, and save a stamp. Jot down notes using only your finger and your phone. You don't need paper to express yourself with QuickMemo™ — or a pen, for that matter. This is communication for the next generation.

It's a Beautiful World, Capture it Photograph breathtaking views while hiking in the mountains. Share high-definition video from last weekend's concert. Change your profile pic as often as your mood. Featuring a 5MP camera with 1080p HD video capture, LG Mach makes sure you record every memory in perfect clarity. Then, be sure to save those memories for easy access later, with free 50GB of Box® Storage.^{††}

Confidence with a Conscience LG Mach makes life more fun — and you can feel good about owning it, knowing it's made with 65.2% recyclability and recycled plastic casings. ULE Platinum and Carbon Fund Certified, it's one smart phone that's an intelligent choice for the environment.
