### OVERVIEW

Fitness takes many forms, from a weekend hike to rediscovering the pleasures of walking. Lifeband Touch's advanced sensor technology provides the ease of use and in-depth data you can count on, wherever a healthy lifestyle takes you.

---

### HIGHLIGHTS

#### OLED TOUCH DISPLAY

One glance at the OLED screen, and you know you're sporting something special. Lifeband Touch's readout makes it a cinch to check performance, and all it takes is a press of the button or flick of the wrist to activate.

#### LG FITNESS APP

LG Fitness App enables you to connect your compatible fitness devices and also link to other popular fitness apps. Through Bluetooth®, you can monitor your activity data promptly and share it with your friends.

#### CALL & TEXT MESSAGE NOTIFICATION

With the OLED Touch panel, monitoring data, checking phone calls or messages is easy.
