PRODUCT HIGHLIGHTS

Curved Sound Bar

This new line of premium sound bars has been specially designed with a graceful curve that pairs elegantly with your curved-screen television. With multiple speakers strategically positioned within its slim, stylish cabinet, this curved sound bar brings exceptional audio to your movies and more.

Google™ Cast

LG Music Flow products have Google Cast built-in so you can cast your favorite music apps like Pandora and Google Play Music from your personal device to your speakers. You can cast from your Android phone or tablet, iPhone, iPad, Mac or Windows laptop or Chromebook.

4.1 Channel Audio

Make all of your movies and music come alive as never before, with 4.1-channel sound. An ideal premium audio solution for compact spaces, four specially engineered speakers plus subwoofer create a thrilling virtual surround effect.
