IT'S A LEAN, MEAN, EASY-CLEAN MICROWAVING MACHINE

Cleaning a microwave can be a real hassle. That's why we're giving you all the things you love about a microwave plus our new EasyClean™ interior. Our new EasyClean™ interior gives you a quick and high performance cleaning inside and out, without using any chemicals. With 1200-watts, sensor cook and TrueCookPlus™ technology, LG is giving you all things you want, with all of the things you need. What other microwave can do that?

TrueCookPlus™

TrueCookPlus™ is patented technology that does all the calculations for you, ensuring the food cooks outstandingly everytime. True Cook numbers can be found on leading food distributor's packaging.

Sensor Cooking

Sensor cooking technology senses humidity levels within the oven and automatically adjusts cooking time and performance to provide superior heating performance.

EasyClean™ Interior

With the new EasyClean™ interior, you can have quick and high performance cleaning inside and out without using chemicals.
