KEY FEATURES

Super Capacity

With the super capacity 30 cu. ft. refrigerator, you have more usable space allowing you to store more food than ever before.

Slim SpacePlus® Ice System

Ice makers are great, but not if it means you can't fit all of your food in the fridge. The Slim SpacePlus® Ice System provides maximum shelf space* and allows even more space for door bins.

Smart Cooling Plus System

Smart Cooling Plus technology is designed to maintain superior conditions within the refrigerator. The Linear Compressor and Dual Evaporators react quickly to humidity and temperature levels and helps keep your food fresher, longer. Meanwhile, strategically-placed vents in every section surround your food with cool, fresh air no matter where you put it.
