

Android™-Powered Smartphone

INTERACTIVITY. CONNECTIVITY. ENTERTAINMENT.

LG Optimus Plus™ is form and function at its finest. This sleek smartphone comes preloaded with plenty of useful and fun Google™ and Android apps. With a 3.5" capacitive touch screen and up to 7 customizable home screens, your favorite games, info, and friends are always readily accessible. Use the virtual QWERTY keyboard with Swype®, the portable Wi-Fi® Hotspot¹ capability, or Bluetooth® wireless technology, and you can stay quickly and conveniently connected – wherever you go.

INTERACTIVE INTERFACE

Android 2.3 technology allows you to navigate easily, input and edit text quickly, and get the most out of your mobile experience.

ITS GOT GOOGLE

Already loaded with lots of Google apps, Optimus Plus has what you need to find your way and have some fun.

VISUALLY VIVID

The large touch screen is bright and clear, bringing colors to life and making icons pop so you can see every last detail.

SWYPE WITH SPEED

Move your fingers fast and get your messages going quickly using the virtual QWERTY keyboard with Swype.

PHOTOS IN A FLASH

Optimus Plus has a 5.0 megapixel autofocus camera and camcorder with flash so you can capture any moment with just a click.

SHARE YOUR WI-FI

Go portable and share your phone's data connection¹ with other Wi-Fi capable devices or use USB tethering via a USB cable.

MAKE IT YOUR OWN

With up to 7 customizable home screens, you can personalize your Optimus Plus by creating shortcuts to apps, favorites, and widgets.

STAY CONNECTED

With Bluetooth wireless technology, you can be on the go and stay in touch without wires and hands-free.

¹Additional carrier charges apply.
