

LG REALM™

*Real Life,
Amplified.*

With LG, it's all possible.™

LG

Life's Good

LG REALM™

Add a splash of spirit and creativity to every day with the LG Realm. This smartphone makes ordinary tasks more exciting with a brilliant display and an edgy, sleek design. The action-packed LG-exclusive features and smooth, seamless multitasking capabilities make the LG Realm your key to a connected world. This is your moment to dream big and shine bright. This is real life, amplified.

4.5" WVGA Display

View genuine, vibrant color and imagery on the immersive screen which provides an outstanding experience for your entertainment.

Sleek Design

A slim, modern form factor provides a comfortable fit for your hand while complimenting your unique style.

Corning® Gorilla® Glass 3

Protects your screen with an extremely durable glass, providing you with new levels of damage resistance.

5 Megapixel Autofocus Camera

Capture and relive the best of your memories by taking sharp and clear shots with the advanced camera.

Knock Code™

Gain instant, secure access to your home screen by tapping a 2-8 point pattern with over 86,000 possible combinations.

Android™ 4.4 KitKat

With enhanced performance and exciting new features, this polished platform is as seamless as it is sweet.

QSlide Function

Multitask efficiently by layering up to two windows over the main screen, able to adjust window size and transparency.

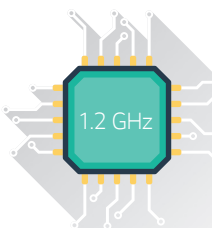

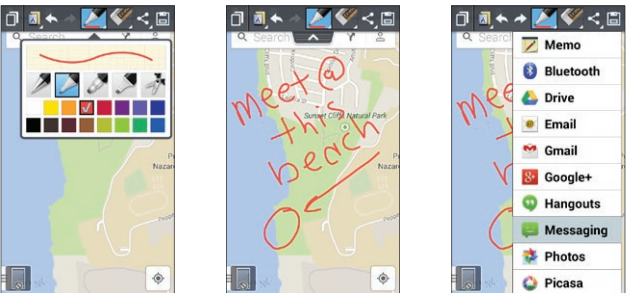

Pick Any Two

- Videos
- Dialer
- Messages
- Calendar
- Email
- Memo
- File Manager
- Calculator

QuickMemo®

Express your creativity at every turn by adding captions to pictures or drawing directions on a map using just a finger.

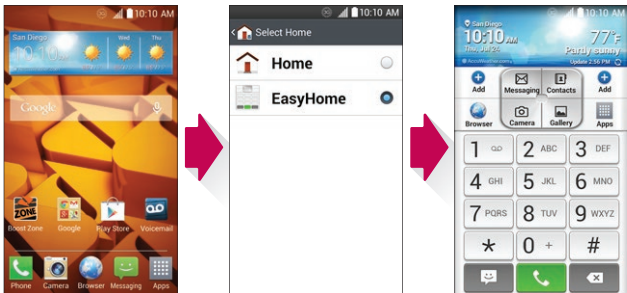

1.2 GHz Dual-Core Processor

Talk, text, browse, and stream—this device has the power to handle on-device interactions smoothly.

EasyHome

Access frequently used features with a simplified home screen—so you can accomplish tasks effortlessly.

Guest Mode*

Create a separate unlock screen for guests with preset access and restrictions to certain apps, keeping personal info private.

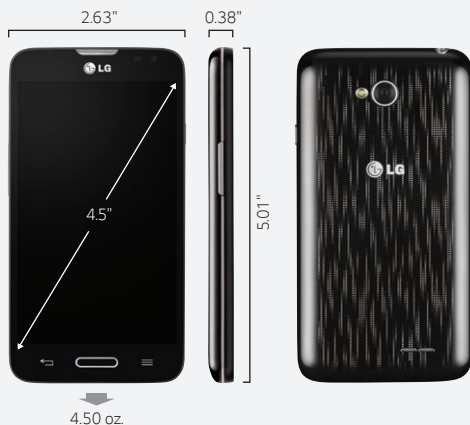

* Some owner/personal content and information may still be accessible to a user in Guest Mode.

2,100 mAh Battery

Keep up on tasks throughout the day without worrying about running low—this battery is built to last.
