Highly Portable, Perfectly Paired
With LG, it's all possible.™
Every day is an adventure and life is your playground.

Introducing the LG G Pad 7.0 LTE, a tablet that’s big enough to accomplish each endeavor and small enough to carry around on every journey. With convenient portability and exciting, action-packed features, let LG G Pad 7.0 LTE be the perfect companion to creativity, imagination, and the ultimate experience.
Dual Window
Split the screen to cross task! Open two different apps* on the display and drag and drop content from one window to the other.

* Not compatible with all applications.

Q Pair™
The LG G Pad™ 7.0 LTE pairs to your compatible Android™ smartphone* easily, so you can stay connected and catch every moment—without carrying both devices around at all times.

* Android 4.1 or later.

5 MP Camera with Touch & Shoot
While in camera mode, capture unforgettable moments with just one touch by tapping anywhere on-screen to activate the shutter.

Smart Keyboard
Get a smooth, seamless writing experience with easy-to-use features that help to reduce typing errors and adapt to your unique writing style.

KNOCKcode
Tap into life using secure, one-step access to your home screen with over 86,000 code combinations!

7.0” HD+ IPS Display
Experience intricate detail and vivid color, at a wide viewing angle, that are true to the world around you.

Zerogap Touch brings visuals closer under the surface of the display and provides precise touch response.

Q Pair™

Answer incoming calls right from your tablet!

Receive a text message and respond to it right from the screen!
