Dual Window for Split-Screen Multitasking

Secure Your Tablet with Knock Code™

Share Your Device Securely with Multi-User Function

Customizable Smart Keyboard

Rounded Edges Provide In-Hand Comfort

*Compatible with phones running Android 4.1 or later.

Productivity

- Smart Keyboard – customize position of the keyboard or keypad for convenient one-handed access
- QPair – link your tablet and Android (4.1 or later) smartphone so call, message, memo, and other notifications can be used between both; when paired, conveniently locate misplaced devices with the press of a button
- QSlide Function – overlay up to two windows with adjustable sizing and transparency on the primary screen for advanced and convenient multitasking
- QuickMemo+ – write or draw on any screen and schedule memos to appear based on calendar or location inputs
- Multi-User Function – share your device with different users while being assured that your content is safe
- Knock Code – create a 3-8 point tapping pattern for superior security and direct access to the home screen
- KnockON – double tap the screen to put your tablet to sleep/wake it without picking it up or pressing the Power/Lock Key
- Dual Window – use two apps simultaneously on a split screen
- Smart Cleaning – free up space by deleting temporary files and removing infrequently used apps
- Clip Tray – copy multiple items and paste them in a clipboard that pops up at the bottom of the screen, creating a collection of information from which you can save or send
- Shortcut Key – get quick access to the camera by pressing and holding a volume key when the screen is off or locked
- Customizable Home Touch Buttons – includes Notifications, QuickMemo+, and QSlide Function
- Multilanguage Support for Tablet and Keyboard Input
- Polaris® Office 5 – PC-like office suite app for viewing and working on documents, presentations, and spreadsheets
- Google Chrome™ – full mobile web browser

Interactivity

- 7.0" HD+ IPS Display with Corning® Gorilla® Glass 3 Protection
- QuickRemote™ – control compatible TVs and cable provider set-top boxes
- Smart Screen – display setting keeps the screen active when tablet detects eye movement
- Video Player with Touch Lock and Resume Play Function; supports 3GP, 3G2, DivX®, AVI, and MP4 formats
- Music Player with Sleep Timer and Custom Audio Effects; supports MP3, M4A, AAC, eAAC+, MIDI, WAV, WMA, AMR, FLAC, and Ogg formats
- Customizable Music Library – organized by song, album, artist, genre, playlist, folder, and nearby devices
- Media Sync (MTP) – transfer files or synchronize with Windows® Media Player*

* USB cable required (included).

Camera/Video

- 5 Megapixel Rear-Facing Camera
- 1.3 Megapixel Front-Facing Camera with Soft Light Setting
- Camera Resolutions: up to 2560 x 1920¹ (2560 x 1600 default)
- Shot Mode – choose from Panorama¹ and Auto
- Timer – set shutter/record delay to 3 or 10 seconds

- Zoom¹ – up to 4x
- Multiple Shutter Options – tap the shutter, use your voice, or press a volume key to take a photo
- Gesture Shutter² – take selfies with a simple hand gesture
- Image Editor – choose from multiple options to enhance your photos such as adding filters and frames, adjusting contrast and brightness, and more
- Video Resolutions: full HD up to 1920 x 1080¹
- Pause & Resume Recording – pause and start in record mode for one continuous video file
- Live Shot – take still shots while recording video
- Live Zooming – zoom in/out on videos during playback
- Geotagging – include location information with photos and videos

¹ Available only on rear-facing camera or camcorder.

² Available only on front-facing camera or camcorder.
