

*True Simplicity,
Real Convenience*

With LG, it's all possible.™

LG TRUE™

You want to keep in touch and stay connected—and LG TRUE makes it possible. This fun and functional device is both sensible and stylish. With access to Mobile Web, you can browse your favorite sites and manage your email right from your phone. Plus, you have a ton of ways to share and communicate with your friends and family through picture, video, and audio messaging. Stay true to the things that matter most with the LG TRUE.

Text and Multimedia Messaging

Let friends and family know you're thinking of them with notes or pics sent directly to their phone.

Mobile Web

Browse the web and keep up with emails right from your phone for quick, convenient access.

Text to Speech

Hear phone menus, emails, and text messages read aloud as you select them for both ease and clarity.

1.3 MP Camera and Camcorder

Capture every moment so you can keep your memories close.
