FIRST STEPS

REMOVING THE BACK COVER & BATTERY

Turn the power off and use the fingertip cutout at the bottom of the phone to remove the back cover (as shown below). Then use the fingertip cutout at the bottom left corner of the battery compartment to lift the battery out.

INSERTING A MICROSD CARD*

Turn the power off and remove the back cover (as demonstrated in the previous instructions). Locate the microSD card slot. Position the microSD card with the label side facing up and slide it into place until it is fully inserted and locked in place.

NOTE: The microSD card can be easily damaged by improper

operation. Please be careful when inserting, removing or handling it.

* The microSD card is pre-installed on the device.

TO REMOVE THE MICROSD CARD

Turn the power off and remove the back cover. Locate the microSD card slot. Gently pull the microSD card out to remove it.

INSTALLING THE 4G SIM CARD*

Turn the power off. Remove the back cover and take the battery out. Locate the 4G SIM card slot. Position the 4G SIM card with the Verizon logo facing up and slide it into place until it is fully inserted and locked in place.

*A Subscriber Identity Module (SIM Card) is a "smartcard" that houses personal information, such as your mobile phone number, calling plan, and account information, such as contacts, text messages, and call history. The Verizon Wireless 4G LTE SIM Card is compatible with any Verizon Wireless 4G LTE certified device. The 4G LTE SIM Card can move from one device to another and your wireless service will work seamlessly as long as you have a compatible device and service plan. To see which devices are compatible with the Verizon Wireless 4G LTE SIM Card, visit verizonwireless. com/certifieddevice.

REMOVING THE 4G SIM CARD

Turn the power off. Remove the back cover and take the battery out. Locate the 4G SIM card slot. Gently slide the 4G SIM card out to remove it.

CHARGING YOUR BATTERY

Your phone comes with a Wall/USB Charger and a USB Cable which connect together to charge your phone. To charge your phone: Connect the USB Cable into the Wall/ USB Charger. When connecting, as shown below, the LG logo on the USB Cable should face toward you.

2. Plug the USB Cable (as shown below) into the phone's USB/Charging Port.

NOTE: Make sure the 'B' side is facing toward you when inserting the USB Cable into the phone.

Plug the other end into a wall socket.

NOTE: When charging a completely drained battery, the tap key lights on the device will flash. Once the device has enough battery charge to be turned on, a battery animation will appear on the screen and the keys will stop flashing.

WARNING! Please use only an approved charging accessory to charge your device. Improper handling of the USB/ Charging Port, as well as the use of an incompatible charger, may cause damage to your device and void the warranty.

POWERING YOUR PHONE ON/OFF

It's important to fully charge the battery before turning on your phone.

- To turn on the phone, press and hold the Power/Lock Key I for a couple of seconds until the screen lights up.
- **3.** Tap **Power off**, then tap **OK** to confirm that you want to turn off the phone.

CUSTOMER INFORMATION

YOUR WIRELESS DEVICE AND THIRD PARTY SERVICES

Verizon Wireless is the mobile carrier associated with this wireless device, but many services and features offered through this wireless device are provided by or in conjunction with third parties. Verizon Wireless is not responsible for your use of this wireless device or any non-Verizon Wireless applications, services and products including any personal information you choose to use, submit or share with others.

Specific third party terms and conditions, terms of use, and privacy policies shall apply. Please review carefully all applicable terms and conditions and policies prior to using this wireless device and any associated application, product or service.

HEARING AID COMPATIBILITY INFORMATION

This phone has been tested and rated for use with hearing aids for some of the wireless technologies that it uses.

However, there may be some newer wireless technologies used in this phone that have not been tested yet for use with hearing aids. It is important to try the different features of this phone thoroughly and in different locations, using your hearing aid or cochlear implant, to determine if you hear any interfering noise. Consult your service provider or the manufacturer of this phone for information on hearing aid compatibility. If you have questions about return or exchange policies, consult your service provider or phone retailer.

ACCESSORIES

Give your phone the solutions it deserves by pairing it with accessories (sold separately) that compliment your tech-savvy lifestyle. Take your multimedia experience to the next level with the Media Charging Dock. Keep your phone and your apps within arm's reach while on the go by placing it in the Navigation Mount. And when you get to your destination use the Wireless Charging Battery Cover and compatible Wireless Charging Pad to keep your phone at full power.

NOTE: Optional accessories are available for purchase at Verizon Wireless locations or www.verizonwireless.com

ACCESSORIES

MEDIA CHARGING DOCK

Use the Media Charging Dock to keep your phone and extra battery charged while enjoying your favorite multimedia content on the phone's large 4.5" display. Or use Clock Mode, activated when your phone is docked, to keep you on schedule with the large, easy to read numbers.

Compatible with Standard and Extended Battery Doors. (Extended Battery and Extended Battery Door are sold separately)

ACCESSORIES

NAVIGATION MOUNT

Whether you're taking a road trip or a short drive, the Navigation Mount will hold your phone in place while mounted to your car's windshield or dashboard. Once your phone is attached, Car Mode is enabled on your handset which gives you access to useful apps like Navigation, Contacts, and Maps. Compatible with Standard, Extended and Wireless Charging Doors. (Extended Battery and Cover, as well as Wireless Charging Doors are sold separately.)

POUCH

Give your phone the protection it deserves - outfit it with a pouch accessory (sold separately). Choose from two different pouches to keep your phone looking stylish and safe from scratches whether it's in a bag or in your pocket.

Clock auto launches when the phone is inserted.

Phone is unlocked automatically when removed from pouch.

NOTE: Pouch accessory design is subject to change without notice.

WIRELESS CHARGING BATTERY COVER

Attach the optional Wireless Charging Battery Cover to your handset for a cablefree charging experience. Center your phone on a compatible Qi enabled Wireless Charging Pad (sold separately) for optimal charging.

WIRELESS CHARGING PAD

Enjoy cable-free charging when you use the Wireless Charging Pad, along with a compatible phone and Wireless Charging Cover (sold separately).

The wireless charging pad can accommodate one phone at a time and includes Power and Charging Status LEDs.

A placement guide and built-in magnet help you center your phone for optimal charging and audio feedback confirms your phone's presence.
