

LG F7

Capture a vibrant sunset sky. Feel the power of advanced performance like a throttle gripped tightly in-hand. Share the warmth of a memory or the excitement of a deserved accomplishment. One device can give you all these things, with the style and intelligence to keep you engaged throughout the day. For anyone bold enough to grab life—experience first—LG F7 is waiting to power on. This device puts vivid memories, action-packed entertainment, and multitasking proficiency in the palm of your hand. Featuring a stunning 4.7" True HD IPS display, blazing-fast 4G LTE connectivity, a long-lasting battery, and advanced camera features, it's sleek, slim, and perfect for every outing.

Inspire them by highlighting all the incredible capabilities of this device, and position LG F7 as their number one.

See the Extraordinary

With an expansive 4.7" True HD IPS Display, LG F7 will show off on-device action in vibrant, true-to-nature color and high-definition detail. Plus, with Gorilla® Glass 2 protecting your screen, go crazy.

Outlast the Day

LG F7's long-lasting 2,540 mAh battery with SiO+ technology and power saver mode provides up to 13 hours of talk time—so you can keep running without worrying about taking a break.

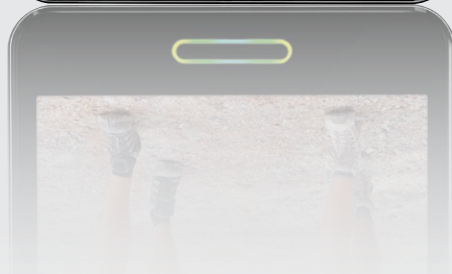

Capture the Moment

The 8 MP Autofocus camera will never let any 'classic' moment slip through your fingers. It's packed with advanced features and Full HD 1080p video recording that captures high-quality footage.

Layer the Productivity

QSlide™ Function is the master of multitasking, letting you accomplish several things at once—layer up to two windows, which float on top of the original screen, adjusting window size and transparency.
