OVERVIEW

Achieving great sound with your television is what this LG Sound Bar System is all about. Experience immersive sound from a stylish and slim speaker system with 3D Surround Processor that makes you feel like you are at the heart of the action.

HIGHLIGHTS

BLUETOOTH

Wirelessly stream music directly from your smartphone or other compatible device for a seamless listening experience.

3D SURROUND PROCESSOR

Put yourself in the middle of all the action with LG's onboard 3D Surround Processor, which creates a room-filling surround sound experience for movies, TV shows and more.

OPTICAL INPUT

An optical input allows you to connect a device such as a set-top box, videogame console, etc., to your home theater for greater convenience.
