ENERGY STAR® Qualified

SUPER UHD
SUPER UHD is LG's best UHD LED TV yet, a Smart TV offering a superior 4K experience by incorporating advanced technologies that deliver over a billion rich colors, smoother motion and elevated brightness. And HDR Super includes Dolby Vision to provide more viewing options.

HDR Super with Dolby Vision™
LG SUPER UHD TVs support high dynamic range plus Dolby Vision together in one premium television. They deliver deeper black levels and superior brightness for enhanced contrast ratio, plus over a billion rich colors. The image now comes to life as never before, with the most HDR content choices.

IPS 4K Quantum Display
LG SUPER UHD TVs are able to reproduce more shades of more colors with finer gradations plus deeper black levels and higher peak brightness. This yields a more accurate, more lifelike picture from a wider viewing angle, thanks to IPS 4K Quantum Display technology.

INPUTS
- HDMI: 3 (HDCP 2.2)
- USB: 3
- RF In (Antenna/Cable): 1
- Composite In: 1
- Component In: 1 (shared with composite)
- Ethernet: 1
