## Phone Features

NOTE: Devices and software are constantly evolving—the screen images and icons you see here are for reference only.

WARNING! Please use only an approved charging accessory to charge your device. Improper handling of the Accessory/Charger Port, as well as the use of an incompatible charger, may cause damage to your device and void the warranty.

## Setting Up Your Phone

### Step 1. Remove the Back Cover

1. Hold the phone securely with both hands.
2. Use your thumb to press down on the indentation near the bottom of the back cover and slide the cover upwards to remove it.

### Step 2. Insert the Battery

Align the battery contacts with the terminals near the top of the battery compartment and press down until the battery clicks into place.

### Step 3. Replace the Back Cover

Align the back cover over the battery compartment and slide it downwards until it clicks into place.

### Step 4. Charge the Phone

Your device comes with a Wall/USB charger and a USB cable which connect together to charge your phone. To charge your phone:

1. Before turning on your phone, charge it fully. Be sure to use the charger that came with your phone.

NOTICE: Please make sure that the 'B' side faces up before inserting a charger or USB cable into the Accessory/Charger Port of your phone.
