KEY FEATURES

TurboWash® Technology

Soccer practice. Groceries. Dinner. Dishes. Shouldn't your laundry move as fast as you? Now it can, with LG's enhanced TurboWash® technology. Powerful high-pressure nozzles save up to 30 minutes per load* —without shortcutting cleaning performance, even on larger loads. Innovation that keeps up with your family calendar? That's not just laundry done fast—it's laundry at the speed of life.

Ultra Large 4.5 cu.ft. Capacity

Towers of towels, piles of sweatshirts, and a mountain of jeans? Go for it. The ultra large capacity (4.5 cu.ft.) tub lets you do more laundry in fewer loads. That's time saved and sore backs avoided.

Direct Drive Motor with 10 Year Limited Warranty

When you buy a washer, you want something reliable that you can count on. Because the Direct Drive Motor uses fewer moving parts and operates more efficiently, LG confidently backs the motor with a 10-year limited warranty.
