

LG VENICE™

Dare to Live Spontaneously

You've got a growing and demanding job, friends who depend on you, and a 24/7 social life. You're on the fast-track, and need a fully loaded phone that lets you take your favorite features with you. It needs to be sleek and fashionable, with a big, bright screen. Packed with entertainment, and a great camera. And practical enough to fit your life. It has to be LG Venice.

Venice gives you more to love in every little detail. It's easy to use and is loaded with the latest upgrades. It has the Optimus 3.0 UI, which is designed to be exceptionally user friendly, intuitive and customizable. From widgets, to icons, and even the status bar—Venice puts personalization front and center. This is the phone you've been waiting for. Come and get it.

Your Words, Your Writing. Send party invites to friends with handwritten notes. Give your favorite photo's a face-lift with drawn-on doodles. Share news with family incorporating your own headlines—and transfer them all from screen to screen with overlay mode. QuickMemo™ lets you personalize any image on your display using only your finger and a little imagination.

Slim Design with Supersized Entertainment. Keep up with all life has to offer on the vivid 4.3" screen anywhere you go. LG Venice's big, bright screen makes watching videos, reading emails, viewing pictures, and browsing the web a lot more fun. Plus it's slim, sleek design is lightweight enough to easily fit in your purse or back pocket, without cramping your style.

Your Life, In Pictures. Capture great shots from girls' night out. Record unforgettable times at family get-togethers. Shoot impromptu self-portraits of yourself and that special someone. Be ready for any spontaneous photoworthy moment, with Venice's 5 MP rear-facing camera and camcorder. Then, save those memories for easy access later on the free 50GB of Box® Storage.^{††}

Treat Yourself to a Sweet Experience. Clear notifications one at a time. Customize your home screen. Quickly jump from one task to another. Android™ 4.1.2 (Ice Cream Sandwich) with LG exclusive homegrown features combine to deliver crisp, clean design details with a smooth performing user experience.
