

# The power to do it all with the touch of a finger.

Made for the moms, the dads, the older brothers and younger sisters, the over-achievers, the believers, the small pockets and the giant purses. Power for all, power for you. All it takes is your touch.

Introducing Optimus Exceed, the complete and total package where multitasking, innovative features, and an easy user interface combine forces behind the glass of a touch screen. Perfect for both the new or experienced smartphone user, it accomplishes multiple tasks simultaneously, allowing every schedule a bit of free time. And, with full and personal customization through game and app downloads from Google Play™, entertainment rests in the palm of your hand and the power of your imagination.

**Where to Begin** Need a little direction? In addition to the Help app, delivering step-by-step on-device tutorials, Optimus Exceed's simple and easy-to-understand UI provides options for quick reply to received messages, quick access to four frequently used apps from the lock screen, and new widgets such as Quick Dialer.

**A Display of Brilliance** With all this power packed into an expansive 4" display and protected by a durable and lightweight form factor, shine confident with superior outdoor visibility thanks to the auto-brightness adjustment feature.

**All Aboard** Stay in tune and in touch with multitasking like never before. Be on top of a constant stream of emails, endless web browsing, daily notifications, and immersive entertainment with Optimus Exceed's 1.2 GHz dual-core processor plus 3G speeds.

**True Colors Captured** As pretty as a postcard, as real as a memorable moment. With Optimus Exceed's 5 MP rear-facing camera with an LED flash and full HD 1080p video recording, capture pictures and video in crisp and close-up clarity.
