

LG ENVOY™ II

Open Up to Pure and Simple.

A day in their life: busy, efficient, and effective. They need a phone that complements their every day, one they can depend on to get the job done, keeping them company while out and about. LG Envoy II is the flip phone they need, accomplishing all the essentials—such as voice calling or text messaging—without being weighed down by unnecessary features. It's the real deal, and it's made just for them.

Connecting to people on a professional or personal level doesn't need to be difficult. It can be as easy as flipping open a phone. LG Envoy II is compact and light, able to fit in any pocket or sit open in every hand for voice calling, messaging, and one-touch speakerphone. It has **easyedge™** functionality for games and other apps, and a WAP browser, allowing online searching when out and about. It can go anywhere, with anyone, and flip open to uncover a world of simplicities.

Pure, Through and Through

Though it's known for its simplicity and convenience, Envoy II manages to look good, too. With an open-and-shut, jet-black sleek appearance, it's ready to come out and shine.

Communicating's a Cinch

Some moments don't require lengthy voice calls. For all those times, quick and easy text messaging allows effortless communication.

Informed As Ever

For all the people out in the world and on the go, Envoy II brings unlimited information with online browsing everywhere.

Saving Precious Time

Don't have time to scroll endlessly through a phone trying to locate someone? With Favorite Contacts, instantly access up to 10 most called coworkers, family, or friends.

On the Road Essential

Stay in the loop and connected at all times with *Bluetooth®* Version 2.1 + EDR, pairing up to 20 devices with the ability to share contacts or calendar events.
