

LG optimus F5™

Easy to use. Easy to love.

Online albums of family vacations. Personalized e-cards on friends' birthdays. Web browsing for Friday night's plans. You have tons of things to accomplish every day, and with a blossoming career and an active social calendar, finding a spare moment can be difficult. No matter if you're a brand new smartphone user, or a veteran, it's easier than ever to organize your schedule and love the life you live with LG Optimus F5. Try out the latest apps, maximize personal productivity, and keep friends and family close, no matter where you are. Optimus F5 is so simple, yet everything you ever hoped for in a smartphone. Fall for one—it will bend over backward for you.

A Lasting Impression

You live life to the absolute fullest, and Optimus F5's robust and dependable 2,460 mAh Li-ion battery, up to 17 hours usage time, and 4G LTE, it's the only thing that can keep up without weighing you down. Love what you do—and do it for as long as you can.

A Touch of Personality

Whether you're creating a birthday card for a friend or adding a unique flair to photos with mustaches and doodles, QuickMemo™ is your finger's new partner in crime. Draw or write on any screen and make memories your own.

A Golden Globe

The camera loves you, and now you can finally love it back. Take life by the lens with the 5 MP rear-facing camera and 1080p HD video capture, turning all your daily shenanigans into frameable pictures and HD silver screens.

A Display of Brilliance

Watch your favorite movies on a dazzling screen. View webpages and e-magazines in clarity and natural color. Carry around a productivity device with superior graphics. The 4.3" qHD AH-IPS display is the ultimate viewing experience—and, one worth sharing.
