

What if Life was This Simple?

Are you an effortless, less-is-more, easygoing person where all the additional bells and whistles just distract you from living freely? Well, then Revere 2 was made for you. This device is compact yet durable, has a few useful features, is designed to endure even the roughest of times, and serves the essential purpose of making quick and easy calls. It plays the part, and looks it too.

Designed just for you, exclusively from LG. Revere 2 is a sturdy little phone with a slim body, suitable for even the smallest of pockets. The keys are actually large enough to press individually, while squinting to see them is never necessary! It has an efficient Mobile Web, so weather or movie show times are available at the touch of a button. This phone is your perfect fit, inside and out.

Back to Basics

With the clear and functional 2" display encased in a sturdy and sleek, curved design, Revere 2 will compliment your minimalistic fashion sense.

The Not-so-Lonely Road

Bluetooth® connectivity ensures that every important call will reach your ears immediately, even when your hands are busy on the wheel.

Staying Connected

With Mobile Web and Mobile Email in the palm of your hand, you never have to worry about losing time while out and about, as your life is always accessible and waiting for you.

Find Your Way

Don't stop and ask for directions, because you never have to be lost again. With GPS capability, you can get from A to B in only one go.
